SQUIDGIE BALL (Flying Toy)

Perfect for kids learning to throw and catch!

Made of soft molded rubber fins, squeeze the Squidgie ball and you won't want to put it down.

Designed for kids as young as three, the Squidgie ball is great for both indoor and outdoor fun.

Ideal for learning to play catch.

It floats in water and dogs love it.

Color assortment includes yellow, blue, purple, magenta, orange, green, and glow in the dark.

Like all Aerobie products, it is quality made in the U.S.A.
