**Embark on an adventure, fly a kite, ride the wind and let your spirit soar...**

### **KITE BUGGY**

**Harness the power of traction kites for the exciting sport of Kite Buggy. Use the power of the wind, just like on a sail boat or land yacht, for an exhilarating ride.**

**You will soon be getting speeds of 50 km/h which feels very fast when you are three inches above the sand and who needs brakes anyway!**

You can buy a Kite Buggy online right now at [www.hiflykites.co.za](http://www.hiflykites.co.za). See you there!
