Embark on an adventure, fly a kite, ride the wind and let your spirit soar...

RADSAIL PRO 7 (Power Kite)

This is the ultimate power kite and definitely not for the faint hearted or inexperienced. MASSIVE power even in light winds. The Pro range of Radsails were developed using a refined profile providing for a larger wind range with good stability, smooth flight and loads of power. These are great traction kites that have good off wind penetration for going up wind on buggies or mountain boards.

Multi-colour kite - colours as seen on the pictures in this catalogue.

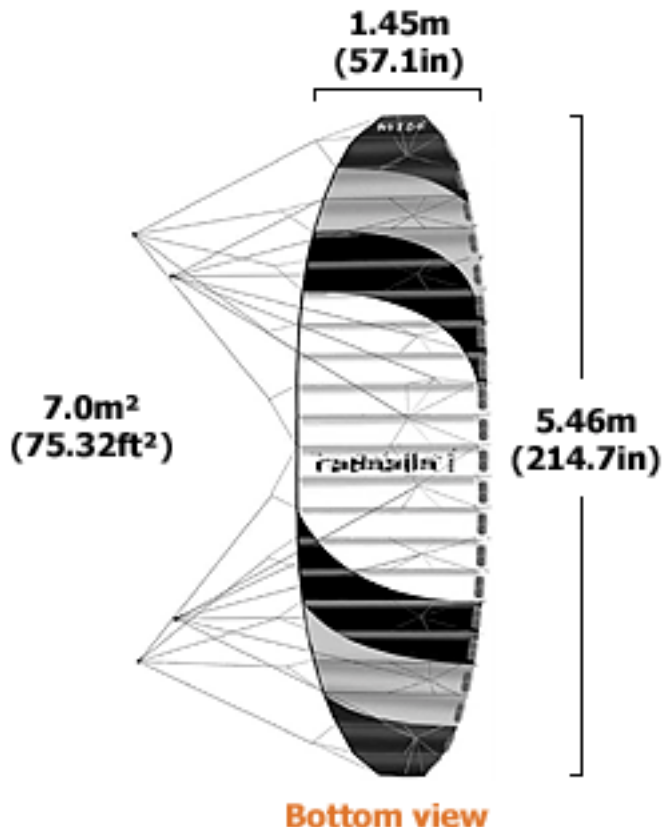

Features of Rad Pro 7:

- Size: 546 x 145 cm (214.7 x 57.1 in)
- 30 Cells
